

# BEAL Training

presented by Dr. Mary Marshall, Yoncalla Math Specialist

**“Strengthen Math Teaching and Learning  
through Formative Assessment and  
Performance Task Design”**

**Friday, August 18, 2017 at Douglas ESD, 1871 NE Stephens Street, Roseburg, OR**

**9am to 3pm**

**\$132 stipend**

**Lunch will be provided**

---

## Objectives:

1. Learn the role of performance tasks and formative assessment in a balanced assessment system for your classroom and school.
2. Develop lesson plans and teaching practices that incorporate formative assessment and promote student dialogue and engagement. (Teachers will write lessons for their classrooms.)
3. Analyze student thinking from their work on performance tasks to guide next steps in teaching and lesson planning.
