Douglas	Oakland SD 1	705

Douglas	Riddle SD 70	553
Douglas	South Umpqua SD 19	1,709
Douglas	Sutherlin SD 130	1,521
Douglas	Winston-Dillard SD 116	1,629
Douglas	Yoncalla SD 32	435
TOTAL ADMw:		16,170

SECTION B—SERVICES CHART

- I. List of services provided in the Local Service Plan ONLY. If the ESD provides services other than those listed in the Local Service Plan, those services SHOULD NOT be included in the chart.
- II. Indicate which state Local Service Plan goal* (numbered 1 through 5 below), addressed next to each service.
- III. Use an X to indicate whether the service is offered to districts at no cost (using ESD dollars), OR if the service is offered on a contractual basis with districts.
- IV. Brief description of service
- V. Number of staff hours as an aggregate number only for each of the main four categories in the Local Service Plan: Special Education, Technology, Instruction and School Improvement, and Administration. You DO NOT need to break out staff hours by individual services within the main four categories.

***State Local Service Plan Goals**

- 1) Assist component school districts in meeting the requirements of state and federal law;
- 2) Improve student learning;
- 3) Enhance the quality of instruction provided to students;
- 4) Enable component school districts and the students who attend schools in those districts to have equitable access to resources; and
- 5) Maximize operational and fiscal efficiencies for component school districts.

PROGRAMS FOR CHILDREN WITH SPECIAL NEEDS SERVICES CHART

Service	State Goal Addressed <i>(Numbers 1 – 5 above)</i>	ESD Offers at No Cost	Contracted	Brief Description of Service	STAFF HOURS <i>You are only required to include the <u>total number of hours</u> at end of each of the main four categories.</i>
<i>Speech Therapy</i>	1,2	X		Speech and language services are provided to all Douglas County schools by licensed speech-language pathologists and state certified speech-language pathology assistants. Services include evaluation, therapy and consultation for students who are identified with possible communication disorders. Individualized Educational Plans are developed in collaboration with instructional teams at each site, with therapy focusing on improving classroom communication skills and enhancing literacy development.	
<i>Complex Needs classroom</i>	4,2	x		Direct services are provided to students who meet the definition of complex needs. This includes a placement option at Fir Grove School in a self-contained classroom for elementary age, students with chronic and/or fluctuating health status who need intensive support in the form of frequent monitoring and judgments about their care. Staffing includes a Licensed Practical Nurse.	
<i>Behavior consultants</i>	1,2	x		Behavior consultants assess the needs of students referred, conduct Functional Behavior Assessments (FBAs) and develop Behavior Intervention Plans (BIPs), both formal and informal assessments and plans as appropriate,	

				and provide individual counseling. Behavior consultants also provide consultation for behavior management to school and classroom staff and to parents. They further assist with the implementation of Positive Behavior & Intervention Support (PBIS) at the district and school building levels as needed.	
<i>Mental Health Therapy</i>	4,5	x		Mental health therapists interview, assess, and if appropriate make diagnoses. Individual and family therapy services are provided as identified. Services are provided by Douglas County Mental Health Services are provided by Douglas County Mental Health.	
<i>Enhanced Attendance</i>	3	x		Attendance liaison provides proactive intervention services to students and families to improve student attendance.	
<i>Basic Attendance</i>	3		x	Director of Instructional Services provides support and consultation to districts with less than 1000 ADM in dealing with attendance issues. Service includes issuance of notices, letters and citations as prescribed in state law and regulations.	
<i>E/I ECSE Evaluations</i>	1,2,5	x		Federally mandated developmental evaluations for children birth-5 years of age suspected of having developmental delays or disabilities are conducted on behalf of component school districts. County wide child find activities are performed for all component school districts as well. The evaluations for children birth to 5 years of age are comprehensive in nature, consider all	

				areas of child development, and include parent input and concerns.	
<i>Consortium for Psychological Services</i>	1,3		x	School psychologists provide comprehensive psycho-educational evaluations, which may include administering individual intelligence tests, behavior rating scales, personality measures, educational achievement tests, curriculum based assessments, classroom observations, and conducting interviews with both the student and teachers. School psychologists function as members of building level Student Services Teams (SSTs) and assist with the development and implementation of action plans that are formulated by the SST. They also provide advice to assist with the proper implementation of special education if needed.	
<i>Special Programs including Grant Research</i>	1,5		x	Leadership, direction and support are provided for all services and programs under the Special Programs umbrella. All districts are provided with assistance in meeting the requirements of IDEA 2004, including technical training and support. In addition, districts participating within the Special Education Regional Consortium will receive direct administrative oversight for their Special Program operations.	
<i>Special Education Professional Development</i>	2,4		x	Professional development activities will be determined by needs survey and direction of SEAC. Activities will be provided on a fee-for-service basis, pooling of district IDEA Enhancement dollars, and/or leveraging other	

				resources such as Regional dollars (e.g., Regional Round Tables).	
<i>Nursing Services</i>	1,2,4	x		School nursing services provide assistance to districts through the following services: chronic disease management, health services to ill and injured students, liaison services between home, school and community health care resources and safety growth and development. These services will be prioritized by the severity or life threatening situation and by other activities mandated by legislation. The nurse will also provide activities to districts that improve health and participation in the educational process. Overall, the service is targeted to increase student safety through nurse management of health issues, teaching and promotion of health management. This position is in conjunction with our existing nursing services that provide more acute care for severely disabled children in Douglas County.	
Programs For Children With Special Needs - TOTAL STAFF HOURS					212,808
